Dept. of Computer Science & Engineering

**B. Tech (CSE-2Y3S) | Post Commencement of the
Semester Student Feedback | Odd Semester | 2023**

ATR in respect of students' feedback (post commencement) for odd semester 2023

Sl. No.	Description	Action Taken	Remarks
1.	Whether the course description of the individual course / subject has provided or not?	The course descriptions for all subjects have been successfully submitted by the faculty members.	All course descriptions for the subjects have been submitted successfully by the faculty members. Moreover, every subject has received satisfactory feedback.
2.	Whether the consolidated departmental Timetable, academic calendar, the faculty members are allocated for all the subjects are provided or not?	Routine, academic calendar and subject wise faculty details have already been shared by the department	Satisfactory
3	Whether the course objective for the individual courses is discussed in the class?	Has already been discussed.	No action required.
4	Whether mapping of course objectives with the program objectives and the Bloom's Taxonomy Level of the modules of the syllabus is discussed or not?	During class, the majority of the faculty members were discussed.	No action required.
5	The course description shared with me in the first week of the semester was adequate for me to understand what I should expect to achieve in the course	More than 90% students provide feedback with positive response.	At present, there appears to be no requirement for any immediate action to be taken.
6	How do you like the lecture delivery (Till Date)	Most of the students provide Clear and Very Clear responses across all the subjects	Some extra doubt clearing and remedial classes have been arranged from the department

ATR in respect of students' feedback (post commencement) for odd semester 2023

Sl. No.	Description	Action Taken	Remarks
1.	Whether the course description of the individual course / subject has provided or not?	All course descriptions for every subject have been successfully submitted by the faculty members.	All courses and subjects received satisfactory feedback from faculty.
2.	Whether the consolidated departmental Timetable, academic calendar, the faculty members are allocated for all the subjects are provided or not?	The department has already shared the academic calendar, routine and faculty details subject wise to the students.	The feedback provided is satisfactory.
3	Whether the course objective for the individual courses is discussed in the class?	This matter has already been discussed.	There is no need to take any action.
4	Whether mapping of course objectives with the program objectives and the Bloom's Taxonomy Level of the modules of the syllabus is discussed or not?	During class, the majority of the faculty members were discussed the topic.	No action required.
5	The course description shared with me in the first week of the semester was adequate for me to understand what I should expect to achieve in the course.	It's great to hear that the majority of students have had a positive experience! It's always encouraging to see such high levels of satisfaction.	At present, there appears to be no requirement for any immediate action to be taken.
6	How do you like the lecture delivery (Till Date)	As per the feedbacks received, the majority of the students have a good understanding of the subjects and are able to express themselves clearly.	Some extra doubt clearing and remedial classes have been arranged from the department
