Action Taken Report in respect of Final year Exit survey (CE DEPT)
May 2023

1	Points on which negative feedback received	No. of students (Who have given negative feedback on this issue).	Action Taken	Remarks
1	1.1. Advanced knowledge, skills and values appropriate to the discipline	2	SIT provides software training on latest versions of AUTOCAD, E-TABS, REVITS, STAD, FSP, BIM to all CE students of this institution.	Improper Comment
2	1.2. Advanced oral and written communication skills	1	Improper Comment	Soft Skill development Classes were taken in every semester.
3	1.3. Knowledge of new and various methods and technologies	2	Project works are given based on the new technology/development. Moreover, during theoretical class lectures modern methods are also discussed whenever possible. Moreover, this department encourages to write technical papers on new technologies which is published in the magazine 'NOVUS'.	If the students do their project work properly, they will be automatically acquainted with the new methods & technology.
4.	2.1 The Overall Quality in the aspect of Teaching Learning, Training & Skill Development, Internship & Placement, Extracurricular & Co-curricular	1	General comment.	This respondent has got job through college compassing. Moreover, class attendance of this particular student was very poor.

	of the Program of study have been attained.			
5	2.2. The usefulness of the program of study for employment possibilities	1	The syllabus is prepared by the Syllabus Committee of the University.	In our opinion the syllabus is very much in line with modern development. However, some minor orientation/modification in syllabus may be suggested.
6	2.3. The commitment of the faculty & staff concerned are	1	Improper Comment	Faculties of this department are dedicated and committed. Problem is that the attendance of the students was very irregular.
7	2.4. The quality of evaluation and grading practices	1	Guided by the University rules	
8	2.5. Overall teaching effectiveness	1	General Comment	
9	2.6. The quality of instruments, consumables purchased & installed	2	There were some problems in the laboratory in previous semester but the same now has been resolved.	
10	2.9. The quality of support received from faculty to pursue your goals	1	Mentors of this Departments guide the students continuously.	
11	3.2. Demonstrated concern for individual needs	1	Do	
12	3.3. Distributed attractive and useful materials	2	Study materials are always given to the students through central book bank and also through google classroom.	

13	4.2. Student academic records	1	General comment	
14	4.5. Career placement services (including on campus drives)	3	Last semester 4 students of 7 th . Sem. Civil Engineering Dept were placed through campus placement drive. This year 10 students of 6 th . Sem Civil Engineering have already been selected for job. More is expected to be placed through campus placement. Apart from T&P Cell, this department has already taken initiative to bring more recruiters in the campus.	It may be noted here that students were reluctant to appear in the campus interview.
15	4.6. Internships / Industrial Tours	1	In spite of pandemic, this outgoing batch was taken to Fulburi Water Treatment Plant as part of their industrial visit, when the pandemic receded.	This institute arranged three industrial tours last year for the 3 rd year students.
16	4.12. Hostel facilities	2	General comment	
17	5.1. Cultural programs	1	This Institute organizes various cultural program involving the students throughout the year.	
18	5.2. Student Clubs	2	Departmental Club is very active, but participation of the students is not at desired level.	
19	5.4. Social outreach / Extension activities overall	1	Due to pandemic situation this particular batch could not participate in social outreach/extension activities in that way.	
20	5.3. Recreational facilities	1	There are sufficient facilities for sports & games in the campus.	

Not: i) Out of 43 students only 7 students have expressed their dissatisfaction in some points mentioned above.
