Action Taken Report in Respect of Summative Student Feedback 2023
[POST COMMENCEMENT SEMESTER FEEDBACK]
(4TH SEM, 6TH SEM AND 8TH SEM CE DEPT)

SL NO	Description	Action Taken	Remarks
1	Co-relation of the conceptual/theoretical knowledge with real world application and its explanation:	<ul style="list-style-type: none"> Through Power point presentations, topics were discussed for the students to get a practical touch with the theoretical concepts. Industrial visits will be organized for the students to understand the real-world applications. 	From the feedback analysis it has been observed that: i) Some students whose attendance is very poor in the class have rated the feedback 'Excellent'. ii) Some of the students who have not attended the semester classes, and their overall attendance is also very poor, have given "good", "poor" or "average" feedback.
2	My ability to apply theoretical concepts to problem solving:	Extra classes will be organized to improve the problem-solving abilities.	
3	My Performance in Internal Exam is:	Students are advised to attend classes on a regular basis and to clear their doubts from the subject teachers during the provided consultation hours.
