Everything is fine

Training was not equipped with modern technology the current industry working on.

NA

No new methods are there

Everything is stuck in technologies that are decades old, and methods of learning that don't make sense at all

Outdated usage

Satisfied,

Old technology and techniques are used

No new technologies have been taught

Latest technologies should be included in the curriculum!

No updated knowledge of various technologies was given

Look the point of development side as MERN

Faculty dont have knowledge about the latest technology in the market, didnt get any kind of help from them in project as they themselves lack knowledge

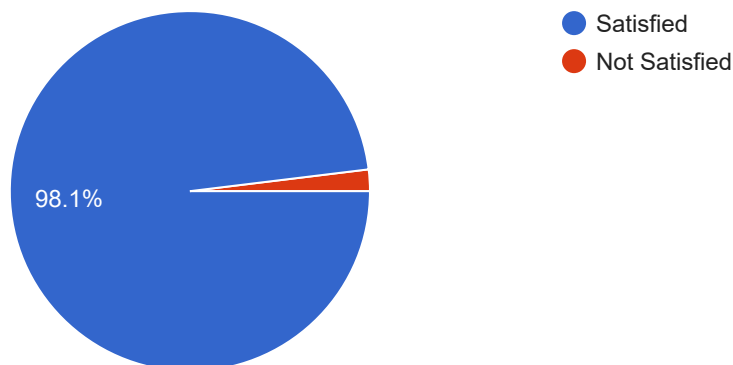

inclusion of development work from 2nd yr of college with latest technologies

Placement will conduct for Civil Engineering Department otherwise It's difficult to get Job from Outside .

Satisfied,

It's good. But I guess it could be better. New technologies are introduced every year. So the curriculum should introduce this techniques in a regular manner.

Teaching and learning is average and others are very poor.

N A

Extracurricular activities must have some more options as the choices provided are very limited!

Ma

Placement rate is less than 5%, teachers are too lazy to help us with any of the above mentioned skilled

Issue with the core company. Most of the placements provided are on the IT field.

We didn't get any campus drives neither the placement were taken care by the placement cell , it was all done by our 3 faculty teachers. So I would request the placement cell to take an initiative to look into the department of hospital management for better placements.

Not good

Improvement need

Satisfied but could bring more better companies for MBA

Need to come up with opportunity to work at Corporate MNC company Ex. Vialto Partner, E&Y, Deloitte scpecially for Fianance Major Students

N-A

Very less no. of students placed in comparison to other colleges.

Campus drive

I was placed in consultant factory they said they will provide 7LPA but they were giving 12k in hand per month

mostly sales job and preference given to B Tech over BBA

N/a

Low ctc

Not applicable

local companies like banks are not a part of the plaxe

NO INTERNSHIP WAS GIVEN BY THEM

N A

Can send outside of West Bengal and it should be paid.

Satisfied,

Need improvement

Haven't received any type of Internship/industrial tour

N A

Internships must be provided to each and every student as work experience does matters for freshers in order to crack the campus drive.

More companies can visit campus for internships when students are in their 2nd or 3rd year. So students will be more involved in it due to peer pressure.

Didn't conduct enough tours

College should provide more opportunity and should create a better environment for it.

Na
