**Course Title : Cloud Computing | Course Code : PEC-CS701B**

### Course Title

 Copy

24 responses

### Course Code

 Copy

24 responses

### Whether the teaching methodology was containing both Active Learning Methodology (ALM) & Passive Learning Methodology (PLM) throughout the course

 Copy

24 responses

### Course progressing as per the lesson plan

 Copy

24 responses

### Presentation and completion of units are

 Copy

24 responses

### Session document for each session of the courses provided or not

 Copy

24 responses

### Co-relation of the conceptual/theoretical knowledge with real world application and its explanation

24 responses

### My ability to apply theoretical concepts to problem solving

24 responses

### My Performance in Internal Exam is

24 responses

### Continuous evaluation of student performance is

24 responses

### Percentage of modules deliberated for Self-Learning in the course

24 responses

### After completion of the course so far, my understanding about the importance of this course in engineering stream is

24 responses

### Would you recommend the course to remain in the curriculum

 Copy

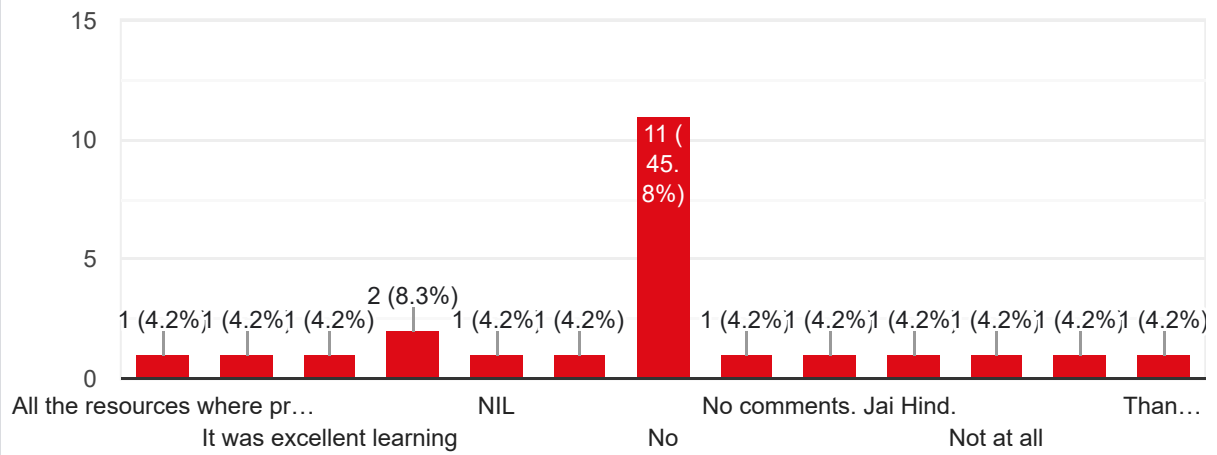

24 responses

### Any other comments
