<b>18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)</b>					

We're incorporating Indian Knowledge System (IKS) into higher education by emphasizing Indian languages, cultural context, and online courses. This aligns with NAAC's goal of enhancing education quality. At our institute, faculty members use both Hindi and English for teaching, fostering IKS. Using Hindi helps preserve our rich heritage and lets students connect directly with traditional texts and concepts. We also promote local language, art, and culture through various activities throughout the year.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The Institute has adopted the Outcome Based Education model through carefully cultivating critical thinking, professional behaviour, practical skills, and ethical values in students. The focus is on imparting knowledge, competencies and direction essential for professional accomplishment beyond academic confines. OBE emphasizes that all educational activities should be directed towards the desired outcomes, defining what learners are expected to achieve and at what standard to be followed. There are methods to gauge the attainment levels of the learning outcomes via mapping of the Course Outcomes (CO) with the Program Outcomes (PO) and Program Specific Outcomes (PSO) and also with the Program Educational Outcomes (PEO). The Institution aligns its academic calendar with the curriculum provided by the affiliating university and supplements regular teaching with workshops, competitions, presentations, and guest lectures to enhance student readiness for the professional realm. Continuous assessments, feedback mechanisms, doubt-clearing sessions, and mentorship initiatives support student learning and development. The institute's commitment to OBE has yielded positive outcomes, evident in a transformative shift towards more hands-on experiences and practical learning opportunities.

#### **20.Distance education/online education:**

The students do the massive open online courses from different platform like NPTEL, Coursera, UDEMY. They enhance their knowledge and skill set according to their preference. They can also complete the courses according to their suitable time. This will help them to be industry ready. Because the courses are conducted by professionals from national and international organisation.

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

1. Advance Planning: The affiliating University, MAKAUT provides the Academic calendar based on which the institutional academic calendar is prepared.

2. Strategic Plan Implementation: Activities which are considered for the Departmental strategic plan include: expert talks delivered by academic/industry resource persons, workshops, seminars, preparation of class routine, course description, internal examination schedule etc.

3. Lesson Plan Implementation: The lesson plan depicts the chronological order in which the lecture sessions would be conducted for different subjects.

a. Course Handout: The course handout includes course objectives, course outcomes, Program outcome, CO & PO mapping, syllabus, course delivery plan, Text and reference books, Assignment details,

Remedial classes, Tutorial details ( if Any), content beyond the syllabus content, Course conduction time table, attendance policy, detention policy, plagiarism policy, teacher contact detail etc.

b. Course File Contents: Course files is essentially a document that includes all the necessary details like Course Objective, Course Outcomes, CO-PO mapping, Syllabus, Daily Lesson plan, Assessment record and Attainment of CO/PO, student feedback etc.

4. The deployment of the action plans: Curriculum delivery and assessment are periodically reviewed through syllabus progress report and student progress is monitored by the Mentors assigned. The assessment results are discussed with the parents to get their feedback.

5. There exists a robust Mentor-Mentee system in the institute.

6. Finer aspects of the Curriculum Delivery Process:

- 1. Student feedback is critically analyzed and corrective measures are taken.
- 2. Use of ICT
- 3. Several skill-enhancing trainings are conducted by Training and Placement Cell.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institution adheres to the academic calendar including the conduct of Continuous Internal Evaluation (CIE).

The Academic Calendar is prepared by the institutional Academic Committee as per the University (MAKAUT) academic schedule that outlines the semester class work, internal examination, external examination schedules and any other academic activity.

The Departmental Advisory Committee (DAC) finalizes the course allocation for the faculty members who prepare the course

handout mentioning the Lesson plan. The Academic Committee prepares the Timetable which is provided to the faculty members and students. Continuous assessment (CA), four in number, is done based on internal tests, assignments, mini-projects, Term papers, PPT presentations and quizzes.

The marks for each CA are uploaded in the University portal and answer books are shown to the students to discuss the evaluation with the teacher.

### 1.3 - Curriculum Enrichment

#### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The institute ensures enrichment of the curriculum aimed at instilling awareness on professionally and socially relevant issues like Ethics, Gender Equality, Human Values, Environment and Sustainability.

#### Professional Ethics

Values and Ethics in Profession (Course Code HM-EE401), Indian Ethos and Business Ethics (Course Code MB 105) etc. are some of the courses that are taught to stress the significance of business and professional ethics in today's society.

#### Gender

Both girl and boy students participate in and organize various extra and co-curricular activities.

#### Human Values

Courses like Universal Human Values (Course Code MC 681), Human Resource Development and Organizational Behaviour (Course Code CE (OE)801A) etc. are offered that aid student understanding of the importance of Universal Human Values. Also, students take part in National Service Scheme (NSS) activities.

#### Environment and Sustainability

Various courses are provided to create awareness about the contemporary issues concerning environment and its impact on natural resources as well as sustainable technologies. The Institute also observes Akshay Urjwa Diwas, World Environment Day and takes up Tree Plantation program on a regular basis to enhance awareness.

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

**We have a standard mechanism (evolved with time) for continuous monitoring and evaluation of the students. Students are identified**

as slow and advanced learners based on:

1. Rank in entrance examination.
2. Performance in the assessment process at the beginning of the semester (pre-requisites) and during regular interaction.
3. Performance in the last examination for higher semesters.

The students are categorized based on their first internal examination results.

For slow learners:

Departments take special care of slow learners by taking extra doubtclearing classes, re-explaining critical topics and more attention in tutorial classes. They are given more assignments, and quizzes and sometimes tied together with bright students for problemsolving.

For advanced learners: .

Challenging assignments are given to them and encouraged to appear for competitive examinations. They are encouraged to participate in NPTEL, Spoken Tutorial Value added training programs etc. and in various technical events like tech fests, technical quizzes and in-house seminars and conferences. Strategies adopted for student improvement:

1. Arrangement of remedial classes
2. Attendance monitoring
3. Motivational sessions
4. Career counselling

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institute promotes an environment that nurtures effective learning and critical thinking for shaping young minds with quality education. Experiential learning or active learning considers the individual learning process. A group of students are allotted a mentor (faculty member) who mentors them. The institute has well-equipped laboratories. Special lectures, field studies, and project-based learning help students to acquire the necessary skills and knowledge. Use of AUTOCAD, an industry-based Software for understanding engineering drawings and graphics from models. Participatory learning includes activity learning, group discussions, case studies, NSS activities, soft skill classes, industrial tours and training. Students participate in project competitions and technical events. Attend field/industrial visits, sessions like group discussions, seminars, and quiz, and poster presentations. NSS is the part of our academics where students participate in social Activities. Soft skill training is imparted to students for personality development and skill enhancement for placement opportunities. Collaborative learning involves groups of students working together to solve a problem or create a product. The different problemsolving methods and steps adopted in project work, and tutorial classes are

1. Identify the problem.
2. Analyse it.
3. Formulate possible solutions.
4. Evaluate the strengths and limitations of those solutions.
5. Select the best possible solution.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

An effective teaching-learning process is beneficial for successful academics. To develop the requisite knowledge, skills, attitudes and habits in students, outcome-based education is extremely helpful. We try to promote student-centric learning. Various instructional methods and pedagogical initiatives as mentioned below are adopted for an effective teaching-learning process: ICT consists of different types of tools and systems that are used by the faculty members to improve teaching and learning situations. e.g.

- Internet-based learning
- LMS server NPTEL
- Powerpoint presentation
- CDs
- YouTube videos
- Video conferencing tools

etc. are some commonly used tools by the faculty. Pedagogical training has been organized for the faculty members to improve the teaching-learning process. In this process, different techniques like Collaborative learning, Think-pair-share, Real-life examples etc. are used. Innovations in teaching and learning contribute a lot to the improvement of student learning. In our institute, we are working on the idea of creating a blog / virtual space where faculty members can share their innovative ideas. Other stakeholders will also be allowed to comment on the posts to enrich the methods as suggested.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The different Examination / Evaluation conducted in a semester is as detailed below: Internal Assessment: Conducted as per the guidance of the university following the Academic calendar.

The mark for Internal assessment is submitted to the University Portal 4 times for theory papers namely CA1, CA2, CA3 & CA4 and 2 times for Practical namely PCA1 & PCA2.

External Examination: Conducted at the end of the semester by the University, handled by college examination cell, headed by Officer in charge. The college strictly follows the guidelines and rules issued by the affiliating university while conducting internal tests and semester-end examinations. There is a rule in the University for Post Publication Scrutiny (PPS) and Post-Publication Review (PPR) after the publication of results and the students can apply through a defined process of the university. Following chart provides a basic idea about the grievance redressal mechanism related to external examination as followed in the Institute.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Program and course outcomes for all programs offered by the institution are stated and displayed on website and communicated to teachers and students. The Program Outcomes are published and disseminated at:

- 1.College Website
2. Departmental page
- 3.Lab Manuals
- 4.Department Laboratory
- 5.Display boards in the institution and in departments
- 6.College brochure
- 7.T&P Office and Placement brochure
- 8.H.O.D. Chamber
- 9.Faculty and staff rooms
- 10.Departmental seminar room
- 11.Students Orientation Programmes

In addition to this, the stakeholders are made familiar with program outcomes through faculty workshops, student workshops, student induction programs, faculty meetings, parent teacher meetings, industry interaction etc. The Course Outcomes are communicated to the students by the respective faculty. Course description, course file etc. of a course contains the COs.

### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Each course is designed with specific Cos following Bloom's taxonomy and each CO is mapped to the POs & PSOs. The attainment of COs for every question is quantified for each assessing student. Their performance is analyzed using MS-Excel software. The level of attainment varies based on the level of the course and efficiency of the student.

The main methodology in measuring the attainment level of PEOs involves an anonymous questionnaire survey from various stakeholders. The questionnaire survey contains questions from groups consisting of details, professional development, job prospects, continuous professional training and the PEOs. Attainment is measured in terms of actual percentage of students getting set percentage of marks. If targets are achieved then all the course outcomes are attained for the year. Program is expected to set higher targets for the following years as part of continuous improvement. The following table shows our institutional attainment level.

### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Innovative and incubative environments are created at the Institute. It provides student guidance and all necessary amenities. Documentation, research papers, and patents are supported. Followings are some examples of initiatives taken by the Institute: 1. Human Resource Development The institution carefully screens applications to hire talented, dynamic, and creative young instructors. Expert instructors are hired. Faculty are encouraged to enhance their teaching, research, administration, and social services under the Performance-Based Assessment System (PBAS). 2. Enhancing learning experiences Lectures, interactive sessions, project and fieldwork, computer-assisted methods, and experiments are used by faculty. Below are student-focused methods: Project methods Field Study ICT Enabled Teaching Experiential learning Student Seminars Summer Internship Program Group Learning Method Group Projects Tech Clubs 3. Promoting Innovation: The Entrepreneurship Development Cell (IEDC) and Institutional Innovation Council (IIC) promote innovation and entrepreneurship.

The IIC is formed under MHRD and AICTE norms. The yearly "Technovision" project contest encourages students to submit their unique functional project models and products. 5. Research infrastructure: The college has an R&D Cell to encourage academics to create research initiatives and submit proposals to DRDO, DST, AICTE, etc. The R&D Cell also fosters a research culture among teachers and students.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

"The Central Library" as a learning resource is taking up increasingly more academic space and time in the life of a learner. The quality of services and user interaction in the library is rich, vibrant and stimulating as it has a healthy mix of people with a varied backgrounds. A journey towards the future with careful coordination and planning is the hallmark of this library confronting the challenge of globalization. Other than the books, the library has also access to 318ejournals, 34 printed journals, ebooks and edatabases. The entire library is automated using Library Management Software (LMS) and transactions are automated by using a bar code reader. Some of the salient features of LMS are as follows:

- Name of the ILMS: LIBSYS
- Nature of Automation: Fully automated
- Version : LS 5.0
- Year of Automation : 2007

One of the unique features of the library is the availability of a book bank facility for the students.

Each Student can borrow Ten Books at a time as per the following category:

Book Lending Facility :

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

College creates a platform for the active participation of the students in the various bodies/committees. This in turn helps the students to gain leadership qualities, knowledge about rules &

regulations and execution skills. To maintain the quality, college involvement of our students in different committees.

Its formation, activities and other details:

- There are student societies/bodies in the departments.
- Each class has student class representatives (CRs).
- The CRs act as a bridge between students and the department. The opinions, views and suggestions of the entire class w.r.t. the faculty, courses, syllabus and any other things related to the class are communicated to H.O.D. by the CRs.
- The CRs are nominated by the students representing the class.
- Various programs like paper presentations, workshops and seminars are organized by these bodies every year.

Apart from the above our students are also included in various committees (to name a few) as mentioned below:

- Tech-Mgmt committee
- Anti-Ragging Committee
- Games & Sports Committee
- T&P Committee

Our students take an active role in conducting all the major technical, cultural, literary and sports activities organized in the college. All these activities are supervised by a team of faculty and staff members.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

#### VISION

To be a recognised institution offering high-quality education, and opportunities to students to become globally employable Engineers/Professionals in best-ranked industries and research organisations.

#### MISSION

To impart quality technical education for the holistic development of students who will fulfil the needs of the industry/society and be actively engaged in making a successful career in industry/research/higher education in India & abroad.

### Leadership Functions of the Head of the Institution

- To promote and develop good governance within the college compatible with and supportive of affiliating university governance structures and policies in line with AICTE / NBA / NAAC. Necessary policy issues are presented to the BOG for final approval.
- To look after all the administrative and academic activities falling in line with the AICTE, University and the Government of West Bengal norms, in all aspects.
- To foster an environment for industry institute interaction, support and coordinate the enhancement of research activities within the college and across colleges, and maintain discipline among students and staff.
- Entrepreneurship promotional activities and encouraging innovation through Institution Innovation Council (IIC) as per the guidelines of Innovation Cell, MOE, Govt. of India.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

All the academic & administrative activities of the institute are directly supervised by the Head of the institute. Day-to-day academic activities of the departments are looked after by the respective Head of the Departments.

#### Decentralization

The institute has a standard mechanism for entrusting authority and supplying operational autonomy to all the various functionaries to work towards a decentralized governance system.

The following committees are in existence to decentralize the academic and administrative activities:

- IQAC
- Anti-Ragging Committee and Anti-Ragging Squad
- Grievance Redressal Committee

- Academic Committee
- IIPC & EDC Cell
- R & D Cell
- Examination Committee
- Training and Placement Committee
- Cultural Committee
- Tech-fest Committee
- Games and Sports Committee
- Library Advisory Committee
- NSS Committee
- NAAC Committee
- Student Welfare Committee
- Hostel Monitoring Committee
- Women's Grievance Redressal Committee
- Admission Committee
- Disciplinary Committee
- College Magazine Committee

#### Case study

Every year annual sports, technical competitions and cultural fests are organized in the institute where overwhelming participation from all levels is observed. The student committees work towards it under the supportive guidance of the faculty and staff members.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institute has a perspective plan for development for the coming years. The institution addresses the issues from the stakeholder's view and takes steps to satisfy their requirements. Perspective Plans are in place for enhancing Teaching-learning, industry-institute interaction, Research & Development, Community engagement, student support system and employability factors.

Activity successfully implemented based on the strategic plan

Our institute in its student-centric approach always tries to create an ambience and support system which is helpful for the holistic development of the students. As a part of this process, the following activity has been successfully implemented:

The idea is to enhance the employability of the students (i) immediately after graduation (ii) after going through higher studies (iii) by building Entrepreneurship as a career. All these are implemented through the established effective mentorship which has been implemented with the support from all the members of the institute and is running successfully. The entire process is supervised and monitored by The Head of the institute in coordination with the HOD's. A faculty mentor is assigned a small group of 15 to 20 students to keep in touch with his/her mentees regularly to provide necessary support in all possible ways.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

#### Governing body

The governing body is responsible for the entire policy-making and verifying the reports through various correspondences. Statutory bodies such as IQAC, Anti-ragging Cell etc., as per the university/government guidelines are also included in the organizational structure of the institution. Various bodies serve academic as well as administrative support to the institution.

- IQAC
- Anti-Ragging Committee and Anti-Ragging Squad
- Grievance Redressal Committee
- Academic Committee
- Examination Committee
- Training and Placement Committee
- Library Advisory Committee
- Women's Grievance Redressal Committee

### Service rules and procedures

The institution strictly follows the service rules according to the AICTE/UGC norms. It has been uploaded to the website too. The teaching and non-teaching faculty have the benefits of EPF and Casual/Annual/ Medical/Maternity/Compensatory Leaves.

### Grievance redressal mechanism:

The purpose is to provide an avenue for the staff/students to redress their grievances to maintain an academic-friendly ambience among students, staff and management in the Institute and to comply with the AICTE Regulations to provide for the establishment of Grievance Redressal Committee in each Institute approved by AICTE. There is a Women Grievance Redressal Committee for Women/ Girl/Staff and Student.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Regular Performance Appraisal of faculty and other staff members is an essential parameter for career and professional development; hence the institute has a robust Performance Appraisal System for teaching and non-teaching staff. Performance Review is conducted by the Appraisal Committee duly appointed by the Authority. The Performance Review Report is the Key Document for all Promotions, Salary adjustments and handling Performance related issues. Hence it is very essential to prepare the Performance Review Report each year.

Promotion will be carried out only for Regular Employees. Probationers, Temporary Employees and Contractual Employees will not be eligible for promotion. Acquiring eligible qualifications, Annual Performance review reports and experience will be considered during the promotion review, however, they do not establish the right to be promoted to a higher cadre. Depending upon available vacancies and other criteria, the candidate will be considered along with other eligible candidates who have applied for the position.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The Institute conducts both internal as well as external audits for every financial year. An internal audit is conducted to monitor & evaluate the financial process that is being followed in the institute. It also conforms to the information and compliance with policies.

The Institute follows the following financial process:

1. At the beginning of the financial year, the HOI submits a proposed budget received from all the departments under the specified head of accounts.
3. The consolidated budget is thereafter submitted for approval by the BOG.
4. All the expenditures are monitored by the Accounts Department as per authorization of the Management and provision in the approved budget.

As a regular practice and to maintain transparency the college accounts are audited every financial year by internal as well as external auditor(s).

Till date, no major audit objections have been recorded.

For better record-keeping and financial services, suggestions received from the auditor(s) are considered and complied with. Audit objections on any discrepancies are settled within the specified time schedule under the directions of the Statutory Auditors.

**6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources**

The College being a private self-financed, and the main source of revenue generation is the tuition fees collected from the students as per the fee structure stipulated by the State Government. The institution has a mechanism in place to ensure sufficient budgetary provisions for academic and administrative activities and to monitor the effective, efficient and optimal use of financial resources.

The institution maintains a reserve corpus fund which is used as matching grants for developmental purposes.

Optimum utilization of funds is done for: -

- effective teaching-learning processes which include Induction Programmes, Workshops, different activities, training programmes, etc. that ensure quality education.
- development and maintenance of infrastructure of the Institute
- security, firefighting charges, AMC charges, etc.
- enhancing library facilities like subscriptions to Books/ Journals/ Periodicals/ Magazines.
- conducting student activities like technical competitions, cultural activities, literary events, seminars, workshops, placements, study notes and study material printing etc.
- social service activities as part of social responsibilities through NSS and CSR.

The financial statement, Income and Expenditure details are available through the Profit and Loss Account, Balance Sheet and

Ledgers, and duly audited by Statutory Auditors.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

1. **MOOCs:** The Massive Open Online Courses (MOOCs) for students have been introduced under the aegis of the affiliating University, where a B.Tech student will have the option to obtain a B.Tech Honours degree provided he/she acquires 20 additional credit points during the 4-year course only through online courses (MOOCs). This beyond syllabus co-curricular courses give students the necessary edge to supplement the curriculum as well as to develop additional skill sets for better employability by getting exposed to experts from Academia/ Industry. Presently this program is being successfully implemented through the NPTEL/Swayam platform as well as courses from Coursera, and Edex. Any suggestions or modifications in this regard are monitored by the IQAC.

### 2. Mandatory Additional Requirement

The Mandatory Additional Requirement (MAR) has been introduced as an integral part of the curriculum by the University, under which a student has to obtain a minimum of 25 MAR activity points in each academic year. Keeping in view the holistic development of the students this program is rigorously followed where the students can harness their skills in diverse areas ranging from social activities, photography, and cultural activities up to entrepreneurship. Any suggestions or modifications in this regard are monitored by the IQAC.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

### 1. CA BASED INTERNAL ASSESSMENT

One of the tactile strategies to boost the learning outcomes of the students is continuous assessment (CA). The IQAC lays special emphasis on the conduction of the CA-based Internal Assessment through questions strictly aligned with the COs. Similarly, there is a mechanism for continuous assessment for laboratory/practical papers where rubric-based evaluation of the students is done twice a semester and the marks are uploaded to the University portal.

### 2. DIGITAL (ICT) INITIATIVES

Conduct of online classes in the digital mode.

Conduct of MOOC courses through the NPTEL/SWAYAM platform for students and Faculty members since Siliguri Institute of Technology is a local chapter of NPTEL.

Faculty members are encouraged to take up additional classes in well-equipped classrooms with ICT-enabled facilities to improve the teaching-learning process.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The Institute prioritizes a healthy environment for students and employees, and encourages gender sensitization. The Institute consistently upholds strong ethical ideals and standards, which are critical for establishing confidence and credibility with the community and stakeholders. It is admirable to ensure that there is no discrimination based on gender, caste, race, religion, language, physical structure, or any other element that violates human rights standards. The institution provides a transparent procedure for addressing student issues, including sexual harassment and ragging. The committees listed below work to raise awareness and enforce our zero tolerance policy.

1. Women Grievances Committee: 2. Anti- Ragging Committee/Squad:  
3. Internal Complaint Committee

Every year various programs on Gender Sensitization are planned which includes 1. Awareness campaign 2. workshops / seminars on Gender Equity / Attitude 3. Celebration of Women's Day

**7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management**

**Our institute has an environmentally green campus and a well-maintained waste management process.**

**• Solid waste management • Liquid waste management • E-waste management**

**We follow a recycling policy as part of the waste management system. Planting lots of trees helps us towards carbon neutrality. We always try to create awareness about energy conservation & efficiency among staff and students and try to follow a few things to save energy as "energy saved is energy generated"; e.g. switching off electrical appliances when not in use. ? Solid and liquid waste management: Dustbins are placed at different locations on the campus. Cleaning staff are engaged and manage all wastes on the campus. The biodegradables are buried in the soil to compost and to be used as fertilizer. The generated waste is collected by the use of differently coloured dustbins. The process**

is regularly monitored. ? E-waste management: Computers and peripherals are maintained regularly to continue usage and to avoid waste. Electronic components (plastic/metallic) are handed over to vendors for disposal. By recycling the electronic components, we try to recover valuable and working materials from old setups for further use. The cartridges of laser printers are reused through refilling.

**7.3 - Institutional Distinctiveness**

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Siliguri Institute of Technology has deliberately established a culture that focuses on training young minds not just to be technically skilled but also to develop a higher level of societal awareness for the maintenance of society as a whole as reflected in the institute's mission and vision. The Institute, which started in a relatively rural region of the country in 1999, has evolved to become a renowned engineering institution that serves students from North Bengal, sections of South Bengal, parts of Assam, Bihar, and Jharkhand. The institution has created students who have achieved success both nationally and internationally across the years. Siliguri Institute of Technology, an affiliated institution of Maulana Abul Kalam Azad University of Technology,

adheres to the university's curriculum guidelines and sets an immense value on outcome-based education. The institute offers a student-centered approach to teaching and learning. Learning through experience, active learning, collaborative learning, personal development, and the application of diverse problem-solving methodologies are applied at all levels - program, course, and lesson. A Mentor-Mentee approach is employed to address all of the students' academic as well as personal issues.
