

SILIGURI INSTITUTE OF TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

Report for the training on REVIT conducted during 4/11/2020 to 13/11/2020 for 2022 pass out CE students.

Objective of the training: Students will be provided with a 360-degree perspective to modelling and drafting a structure aided with design provisions.

Outcome of the program:

Students will be able to:

- Begin with basics and then move on to the professional tools.
- Effectively learn rendering, phasing and design options, plus advanced

The program details are as below:

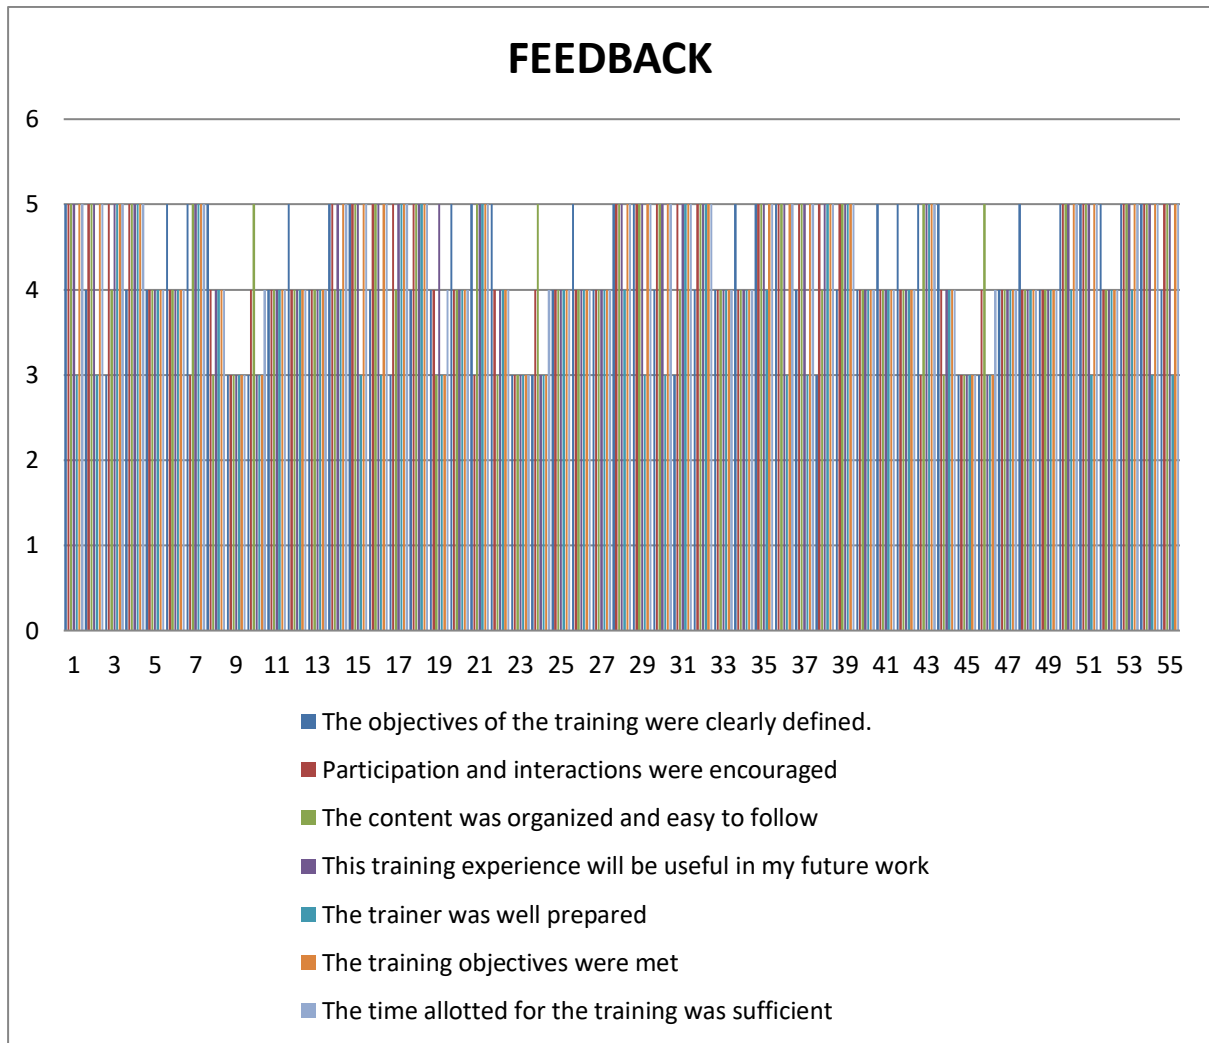

Title of training : REVIT
Resource Organization: Sikharthy
Date : 4/11/2020 to 13/11/2020
Platform : Online

Summary of the program:

The following points can be noted from the program

- At the beginning they were introduced to the REVIT and given an elaborated idea of its application in the different areas of the industry
- The topics discussed and taught during the intermediate days of the training were building information modelling, project model and design elements, project design and presentation methods, project design with building codes.
- Students modeled structures during the session
- At the end of the training an online exam was conducted
- As per the feedback received from the students end, the entire session was a real success and students learned and enjoyed the session on REVIT

Feedback analysis for training:

HOD, Dept. of Civil Engineering

**Departmental T&P Coordinator
Dept. of Civil Engineering**
