Developer Student Clubs

Dear Chaitaly,

Congratulations! We are thrilled to inform you that you have been selected as a Developer Student Club Lead for your campus!

You are joining an amazing community of student leads who will be representing hundreds of colleges and universities across the globe.

You were selected because you are a leader who believes that technology can do extraordinary things for the world. You have taken on the responsibility to help students grow as developers and empower these students to impact their communities with technology. Through this experience you will not only be leaving a legacy of impact but also growing as an individual and contributing in a meaningful way to the greater developer ecosystem.

What do you need to do next?
Please complete this Acceptance Form within 7 days of receiving this email to confirm that you accept the role of DSC Lead. Please note that **not** completing the Acceptance Form by the deadline means that you are declining the role of DSC Lead for the 2020-2021 year.

Receiving your acceptance form will allow us to move forward with welcoming you into our student developer community.

Further instructions regarding your onboarding will follow soon.

We look forward to hearing from you via the Acceptance Form.

Thanks again for your interest and congratulations!
