10. **Outcome:** Through this outreach program, we aspire to help in improving the lives of underprivileged people with the resources and power that we possess. It was a privilege to be able to do so and through this program, we also aroused a strong sense of responsibility in ourselves, as a person who is able to help people in need in a sustainable way. Moreover, by executing this Clothes Donation Drive, we were also able to perform and strengthen our personal values and behave in a way that is true to our own ethical beliefs.
